

## GWINNETT CLINIC

### **Vision**

Gwinnett Clinic serves as metro Atlanta's premier outpatient medical practice. We believe strong primary care within an integrated network of specialty care and ancillary services grows personal relationships with patients. Our providers and staff work as a team to deliver high-quality, cost-effective, comprehensive care to our patients when they need it.

*We measure our success one patient at a time.*

### **Mission**

To provide excellent primary care and specialty services in a patient-centered environment.

### **Our 5 Core Practice Principles**

#### **Strong relationships**

We seek to build strong relationships among patients, providers, and staff.

#### **Access and convenience**

We make it easy to schedule appointments, and walk-ins are always welcome. Many of our conveniently located offices are open weekends.

#### **Comprehensive care**

Our patients are part of an integrated outpatient system of primary care providers, specialists, and ancillary services.

#### **Commitment to quality**

We strive to offer our patients the highest quality care in every dimension of our practice.

#### **Stewardship**

We believe we have a responsibility to be good stewards of our patients' time, energy, and finances.
